1. The prayer in this petition filed under Articles 226/227 of the Constitution of India, is for issuance of a writ in the nature of mandamus/prohibition for restraining the official respondents from allowing the private respondents for installing the Rice Sheller adjoining to the village Abadi-Deh which will cause danger to the lives of villagers because the same is very dangerous to their health due to huge noise of the heavy machines and is being installed

without completing the norms because as per the provisions of the Rice Sheller should not be less than 1 kilometer from the Census village and notified authorized area. Further prayer has also been made to direct the private respondents to install the Rice Sheller at the distance of more than 2 kilometers from the village abadi.

2. After arguing for sometime, learned counsel for the petitioners submitted that inadvertently certain relevant information could not be incorporated and relevant documents in respect thereof could not be appended along with the present writ petition. Accordingly, a prayer was made that he may be allowed to withdraw the present writ petition with liberty to the petitioners to file a fresh petition on the same cause of action by furnishing better particulars.

3. Dismissed as withdrawn with liberty as prayed for.
