TEJINDER SINGH DHINDSA.J

C.M. No.9754 of 2017

Application is allowed as prayed for.

The accompanying document which is in the nature of the synopsis of the case is taken on record.

Main Case

The petitioner, who is serving as Pump Operator under the Water Supply and Sanitation Sub Division, Sangrur Division, Sunam, has filed the instant petition praying for the issuance of a Writ of Mandamus for directing the respondent authorities to pay to him the minimum pay scale with all allowances and arrears as is being paid to the regular Pump Operators.

Counsel for the petitioner submits that after filing of the petition, an assurance has been held out by the employer that the relief sought in the instant petition would be released to him in due course. He submits that on the strength of such assurance, his client has instructed him to seek an adjournment for a period of two months.

In the light of submission made by counsel, I deem it appropriate to dispose of the instant petition as withdrawn. Liberty is granted to the petitioner to approach this Court afresh in the eventuality of any order passed by the competent authority which may be construed as detrimental to the interest of the petitioner and whereby the claim raised in the instant petition is declined.

Disposed of.
