RAJAN GUPTA J.

Present petition has been filed by petitioner seeking a writ in the nature of certiorari for quashing impugned order dated 10.07.2015 passed by Permanent Lok Adalat, Fatehabad. It has been urged before the court that the order is unsustainable as it has been passed on incorrect factual basis. He submits that siphon is in fact in the land belonging to the petitioner. This fact has not been considered by the Lok Adalat. Besides, inquiry report submitted by the police is also in favour of the petitioner.

It is evident that Lok Adalat passed the order after considering rival contentions of the parties. Pleas raised before this court are primarily factual in nature which cannot be decided in writ jurisdiction. Besides, there is nothing on record to show that decision given by the Lok Adalat suffers from any infirmity. Petition is, thus, without any merit and is hereby dismissed.
