Surya Kant, J. (Oral)

The petitioner has got re-appear in the subject of 'Web-Programming' in BCA final year (6th semester). It appears that she has applied for re-evaluation on 08.07.2017. She has meanwhile appeared in the entrance test of MCA Course and as per her merit she is hopeful for getting admission in MCA. However, until and unless she qualifies BCA in all the papers, she cannot be granted admission in MCA Course. She thus seeks a direction to declare her result of re-evaluation before the last date of admission in the MCA Course.

While we are sure that in such a short duration the petitioner's paper of 'Web Programming' cannot be re-evaluated, this writ petition is disposed of with a direction that if the above-said paper has been got re-evaluated, let the University make an endeavour to declare the result at the earliest to save the petitioner's one year. It shall be appreciated if the result is declared before the last date of admission in the MCA Course provided that the re-evaluation is permissible and the petitioner has applied on time.

Ordered accordingly.

Dasti.
