Surya Kant, J. (Oral)

The Tribunal has dismissed the petitioner's Original Application vide order under challenge dated 07.08.2016 primarily on the ground of delay and laches. The Tribunal has viewed that the petitioner is seeking review of the result of selection dated 15.12.1999 for which he filed Original Application on 02.09.2016, namely, after 16 years.

The only explanation given to us is that the impugned order was passed by the authorities on 17.05.2016. We are, however, not impressed by the contention for the reason that the said order was passed by the department on the representation made by the petitioner on 14.01.2016. Thus on the date when petitioner woke up and made representation, the claim was hopelessly time barred.

Dismissed.
