State Information Commissioner and another

....Respondents

CORAM : HON'BLE MR. JUSTICE M.M.S. BEDI

Present: Mr. Ramesh Sharma, Advocate
for the petitioner.

Mr. Iqbal Singh Mann, Advocate
for respondent No. 1.

M.M.S. BEDI, JUDGE (ORAL)

The grievance of the petitioner is that despite an undertaking having been given by the Public Information Officer of the office of another Municipal Council, Kharar, the petitioner has not been supplied the information which is concerned with the Measurement Book with entries from 01.04.2011 to 31.03.2015. It has been submitted by counsel for the petitioner that the undertaking has not been complied with despite the fact that bank draft of Rs.80,240/- had been deposited by the petitioner for getting the copies.

I have heard learned counsel for the petitioner and I am of the opinion that no objection had been raised by the petitioner regarding the supply of information before the State Information Commission produced by the Junior Engineer of the Department and accordingly the complaint had been filed vide order Annexure P-4.

The information sought for, by the petitioner, appears to be

voluminous as the record of years 2011 to 15 has been sought to be obtained.

This petition is disposed of with a direction that the petitioner will be permitted to inspect the record of the Measurement Books, asked for by him, in the office of Nagar Council, Kharar in presence of an official on any working day between 12.06.2017 to 16.06.2017 as per the undertaking given on behalf of the Nagar Council, Kharar. The petitioner will be entitled to ask for the photocopy of the documents on making payment. In case of any grievance left, the petitioner may approach this Court again.
