M.M.S. BEDI, J. (ORAL)

Through the instant petition, the petitioner seeks a direction to the official respondents No.1 to 9 to construct water course at Urlana Minor in furtherance of the representation made by the petitioner.

In the written statement filed on behalf of respondent Nos.2 to 6, through Executive Engineer, CAD Division, Kurukshetra, it has been mentioned as follows:-

“That the Scheme for pucca water course RD. 34760-R Urlana Minor was framed, published and heard on dt. 25.4.2015 at 11:00 AM with proper notice served to shareholders. After proper hearing decision was given by Divisional Canal Officer under Section 18 (2) of Haryana Canal and Drainage Act 29 of 1974 regarding alignment and lining of katcha water course (Annexure R-1). During the hearing, total length of 10.406 Rft.

was approved in open court out of which a length of 8330 Rft. has been constructed without any dispute and moreover one another extension was also appealed by shareholders which was approved and has also been constructed at site without any dispute. But there was land dispute in the said portion which was also recognised by the petitioner and the same could not be constructed till demarcation but as the demarcation has been completed by revenue authority and the consent of affected shareholders has also been obtained and department is ready to execute the work.”

In view of above said stand taken in the written statement, this petition has become infructuous as the respondents authorities have given assurance for execution of the work as mentioned hereinabove.

Disposed of as having rendered infructuous, at this stage.
