**IN THE HIGH COURT FOR THE STATES OF PUNJAB AND
HARYANA AT CHANDIGARH**

CWP No.1901 of 2017

Date of Decision. February 02, 2017

.....Petitioners

Versus

State of Haryana and others

.....Respondents

Present: Mr. Parminder Singh, Advocate
for the petitioners.

CORAM:HON'BLE MR. JUSTICE AMIT RAWAL

AMIT RAWAL J. (ORAL)

The contention of the petitioners is that vide notice dated 13.12.2016 (Annexure P-9), the Municipal Corporation, Karnal called upon them to immediately stop further construction and remove the existing construction within a period of three days and also to appear in person on 20.12.2016.

It is contended that the notice dated 13.12.2016 was received on 22.12.2016 and immediately comprehensive reply (Annexure P-12) was filed, but without giving any opportunity of hearing, a notice purported under Section 263-A and 261 of Haryana Municipal Corporation Act, 1994 dated 04.01.2017 (Annexure P-11) was served with a direction to submit proof of sanction within 7 days from receipt of notice otherwise building in question would be sealed or demolished in due course of procedure at the risk and cost of the petitioners, whereas the aforementioned notice did not

indicate passing of the order on the notice vide Annexure P-9.

He submits that Section 263-A of the Haryana Municipal Corporation Act, 1994 has been inserted into the aforementioned Act by Act No.12 of 2013 whereby the Commissioner is vested with power that he may, at any point of time, before or after making the order under Section 261 or 262, order for sealing of the premises but the same cannot be ordered to be removed without affording an opportunity to the owner under sub-section 2 (a) and the aforementioned order is appealable under sub-section 4.

In view of such unriddled power of the Commissioner, the petitioners are apprehensive that without calling upon them and passing any order on the reply, much less, spot inspection, their premises may be sealed, wherein they are carrying the business of vegetable vending and repair of cycles.

After going through the contents of the notice and reply of the petitioners, I am of the view that the notice (Annexure P-11) does not reflect any order being passed in pursuance of the notice dated 13.12.2016 (Annexure P-9. Moreover, vide Annexure P-12, the petitiones are stated to have already filed the reply.

In my view, an opportunity of hearing should be given to the petitioners to rebut the averments in the impugned notice by placing on record materials and thereafter, an appropriate order shall be passed thereon. In case, the authorities are satisfied with the reply, there shall be no further orders. If otherwise, in case of any adverse order, the petitioners shall be given at least 7 days time to challenge the aforementioned order in accordance with law.

The writ petition stands disposed of with the aforementioned

observations. The petitioners shall approach the Municipal Corporation with this order on 6.02.2017. Till that date, there shall be no order of sealing. On receipt of this order, the Municipal Corporation shall comply with the directions contained herein.

A copy of this order be given under the signatures of Reader attached to this Court.
