CORAM:- HON'BLE MRS. JUSTICE DAYA CHAUDHARYPresent: Mr. Gourave Bhayyia, Advocate
for the petitioner.**DAYA CHAUDHARY, J.(ORAL)**

The prayer in the present petition is for direction to the respondents to reconduct physical test of the petitioner and to appoint him by remeasuring his height after granting marks on the basis of height remeasured.

Admittedly the selection has been finalized. Neither the selection has been challenged nor any representation has been made to respondents. Simply it has been mentioned that the posts are lying vacant and petitioner has a right to be considered after remeasuring his height. No writ of mandamus can be issued without approaching the competent authority for redressal of the grievance. The petitioner is at liberty to approach the competent authority by making representation. In case such representation is moved, the respondent-authorities are directed to decide the same in accordance with law.

Disposed of accordingly.
