This is a writ petition with a prayer that order dated 12.09.2016 passed by Civil Judge (Junior Division), Sub Division, Bilaspur dismissing the election petition preferred by the petitioner.

The short grievance of the petitioner is that after counting, she was declared elected but subsequently the result was altered to declare respondent no.5 as successful. In the impugned order, the Civil Judge noticed that apart from the bald assertion of the petitioner that she was declared elected there is nothing on record to indicate official communication inviting such a conclusion by the petitioner.

This has been countered by the petitioner who contends that the perusal of the Website Annexure P1 would indicate to the contrary. We have seen Annexure P1 as also its vernacular copy which has been appended to the writ petition. It shows that the results were still tumbling in when the

successful candidates was indicated except for some whose results were complete.

We thus, do not find any infirmity in the findings recorded by the learned Civil Judge (Junior Division), Sub Division, Bilaspur in the impugned order in the absence of any official confirmation declaring the petitioner successful. Merely because some trends or results were indicated on the website would be no ground to accept the plea of the petitioner.

Writ petition stands dismissed.
