CORAM: Hon'ble Mr. Justice P.B. Bajanthri

Present: Mr. Shrey Goel, Advocate for the petitioner.

P.B. Bajanthri, J. (Oral)

In the instant writ petition, the petitioner has questioned the validity of Annexure P4 dated 25-08-2015 by which the petitioner's absence period from 21.02.2014 to 26.11.2014 is not counted for the purpose of extending service benefits on the count that petitioner was under police custody/judicial custody. Petitioner is not pressing for the above prayer and his limited prayer is to dispose of the petition while directing the appellate authority to dispose of his appeal. Notice to respondents is dispensed.

2. Learned counsel for the petitioner submitted that he will not insist in quashing Annexure P4 since he has filed an appeal before the appellate authority and matter is pending consideration before the appellate authority. Petitioner has submitted reminder letter to the appellate authority vide Annexure P6 to decide his appeal. The petitioner is satisfied if a direction is given to the appellate authority to consider his appeal.

3. In view of the said submission the appellate authority if not considered appeal as on today. He is directed to consider petitioner's appeal in accordance with rules governing the regulation of absence period within a period of 3 months from today.
4. Accordingly, petition stands disposed of.
