The petitioner has approached this Court claiming that acquisition of land in question has lapsed in view of Section 24(2) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (for brevity, 'the 2013 Act').

Learned counsel for the petitioner has submitted that neither the compensation for the acquired land has been paid nor the physical possession of the land has been taken. The notifications for acquisition of the said land under Section 4 and 6 of the Land Acquisition Act, 1894 (for brevity 'the 1894 Act') were issued on 17.11.2005 and 7.2.2006,

respectively. Award was announced by the Land Acquisition Collector on 2.3.2006. It has also been claimed that on the part of the acquired land, construction was already existing before publication of notification under Section 4 of the 1894 Act. The petitioner had even filed the objections under Section 5A of the 1894 Act.

Learned counsel for the State does not dispute the fact that the construction was already existing before publication of the notification under Section 4 of the Act. However, he has submitted that the land in question will affect the planning of plots and the adjoining 60 mt. wide service road. It is further submitted that petitioner has not been paid the entire compensation for the acquired land, which according to him, is lying with the Land Acquisition Collector. The possession of the land was taken.

Heard learned counsel for the parties and perused the paper book.

Section 24(2) of the 2013 Act provides that acquisition of land would lapse in cases where award had been announced by the Collector five years prior to the enactment of the 2013 Act i. e. 1.1.2014, in case either the compensation for the acquired land has not been paid or the possession thereof had not been taken.

In the case in hand, it is the admitted position on record that the petitioner has not been paid the amount of compensation for the acquired land. In addition, admittedly even the construction was existing prior to the issuance of notification under Section 4 of the 1894 Act.

In view of the aforesaid discussion, in our view, the ingredients as laid down in Section 24(2) of the 2013 Act having been satisfied, acquisition of land owned by the petitioner has lapsed.

However, the State shall be at liberty to either initiate fresh proceedings for acquisition of land or negotiate with the landowners for purchasing/retaining the land in accordance with law, in case the land in question is required for completion of any project or otherwise. The petitioner shall maintain status quo regarding the land in question for a period of six months to enable the State to take decision.

The writ petition is disposed of accordingly.
