In the instant petition, petitioner is seeking a direction to respondent No.3, who has denied the petitioner opportunity of the interview to be held for appointment to the post of primary teacher and further for consideration of her candidature for selection to the said post in the Department of Elementary Education.

On 18.11.2012, the official-respondents notified to fill-up the posts of primary teachers while fixing the last date of submission of online applications on 08.12.2012. On 18.12.2013, date was fixed for scrutinizing of the documents. The petitioner was interviewed subject to the result of this writ petition. The petitioner's candidature was not considered by the respondents - selection authority on the score that the petitioner could not qualify the essential qualification/eligibility to the extent of two years' diploma in elementary education. However, she had qualification of ETT. Thus the respondents have rejected the candidature of the petitioner. The petitioner has not made out the case as to how Elementary Teachers Training (ETT) is equivalent to two years' diploma in elementary education.

In the absence of necessary evidence to the extent that two years' diploma in elementary education is equivalent to ETT, the petitioner is not found eligible to the post of the primary teacher.

Accordingly, writ petition stands dismissed.
