SUDIP AHLUWALIA, J.(ORAL)

Seen the report sent up by PGIMER, Chandigarh vide letter
No.EV(9)PGI-MS/MA-63/2017 dated 16.10.2017.

It has been mentioned therein *“hence keeping in view her physical and mental health, the medical board is of considered opinion that the termination of pregnancy of X at this stage can be undertaken. However, 'X' and her relatives must understand the risks involved with the procedure that she has to undergo”*.

In the given circumstances and after considering the submission made on behalf of the petitioner, his prayer for medical termination of pregnancy of 'X' is allowed. The necessary procedure may be carried out in PGIMER, Chandigarh itself subject to giving appropriate undertakings by the petitioner/his family members/X in view of the notings made by the Medical Board.

Ld. Counsel for the petitioner further states that he has no objection if a DNA sample of the foetus in question is preserved for

matching purposes, required in the interest of the trial, at any subsequent stage.

The petitioner may appear before the Medical Board/PGI Authorities immediately or by tomorrow for getting the earliest possible date for the procedure.

Disposed off.
