Vide order dated 25.02.2013 Annexure P-19, the dealership of the petitioner of Kerosene Oil has been terminated.

Without expression of any opinion whether there is any other alternative remedy to the petitioner by way of appeal or otherwise, it is sufficient to observe that after filing of the written statement by the respondent, under the directions of the Court, a joint inspection of the new site for shifting the Kerosene Oil dealership to confirm all the safety standards, was to be undertaken, in order to enable the petitioner for continuance of the dealership.

It has been submitted by learned counsel for the petitioner that on account of the new site, having already been selected at address No. 12, Cross Road, Ambala Cantt., the petitioner is entitled for re-consideration of his right for continuation of dealership, irrespective of the earlier order Annexure P-19 passed on 25.02.2013.

In view of subsequent events, this petition is disposed of with a direction to the respondent that the claim of the petitioner for continuance of dealership of the Kerosene Oil at the new place, selected by him for running the business will be considered afresh irrespective of order dated 25.02.2013. Necessary steps for inspection would be taken within a period of one month and in case, the petitioner is held entitled to the renewal of the dealership, the necessary steps in accordance with law, would be taken expeditiously to finally determine the rights of the petitioner to continue with the dealership.
