JASWANT SINGH, J.(ORAL)

Jugraj Singh (petitioner no.1) and Mithu Singh and Lal Singh (petitioner nos.2 & 3) on attaining the age of superannuation have retired from the rank of Junior Engineer and Pump Operators on 01.10.2014, 01.10.2015 and 31.01.2011 respectively from the Water Supply and Sanitation Department. They are claiming the benefit of the decision dated 24.5.2011 (P-6) taken by the Government of Punjab whereby the regular work charge employees who were possessing the technical qualifications of matriculation with two years ITI Certificate were extended the benefit of placement in higher pay scale of 140-300 from the date of their initial appointment during the period 14.11.1975 to 02.01.1978. The benefit, after such notional placement was to operate from 15.02.2010.

Mansa Water Supply and Sanitation Division No.1 states that the necessary relief claimed by the petitioners in terms of decision **P-6** has since been sanctioned and ordered to be released to the petitioners.

In view of the above, learned Counsel for the petitioners concedes that the present petition has become infructuous.

Dismissed as infructuous.

However, it is hoped that the necessary monetary relief shall be released to the petitioner within four months from receipt of the certified copy of this order.
