CORAM : HON'BLE MR. JUSTICE P.B. BAJANTHRI

Present : Mr. R.K. Malik, Sr. Advocate with
Ms. Rimple Soni Kadyan, Advocate for the petitioner.

P.B. BAJANTHRI J.

In the instant writ petition, the petitioner has sought for quashing the notification dated 30.7.2012 insofar as imposing condition for the purpose of promotion to the post of Senior Scientific Officer (Toxicology) i.e. Two years experience as Senior Scientific Assistant (Toxicology) in Toxicology field.

Admittedly, the petitioner was promoted to the feeder cadre i.e. Senior Scientific Assistant (Toxicology/Chemistry) only in the month of September 2015. Thus, he would be eligible with reference to two years of experience as a Senior Scientific Assistant (Toxicology) in Toxicology field only in the month of September 2017. Therefore, no interference is called for as the present petition is premature.

Accordingly, the petition stands dismissed.
