FAO No.2484 of 2016

Both the parties along with their respective counsel were present. They had already suffered statements in first motion in shape of affidavits on 05.09.2016. Today also, they suffered statements in the shape of affidavits in second motion. They have complied with the terms and conditions of the compromise entered into between them. They have amicably settled their dispute. They have been living separately for the past six long years. There is no scope for them to live together as husband and wife. The averments made in the joint petition filed under Section 13-B of the Hindu Marriage Act are found to be true. Therefore, as prayed for, a decree of divorce by mutual consent dissolving the marriage between the parties is passed. Decree sheet be prepared in accordance therewith.

Appeal is disposed of accordingly.

CMM No.67 of 2016

The application has become infructuous as main case has been disposed of today. Therefore, it stands disposed of accordingly.
