

IN THE HIGH COURT OF PUNJAB AND HARYANA
AT CHANDIGARH

Civil Writ Petition No. 9788 of 2017
Date of Decision: 08.05.2017

Dr. Jatinder Singh

..... Petitioner

Versus

State of Punjab and others

..... Respondents

CORAM: HON'BLE MR. JUSTICE JASWANT SINGH

Present: Mr. Sarju Puri, Advocate for the petitioner.

JASWANT SINGH, J. (Oral)

The petitioner is working as a Medical Officer and posted at ESI Hosiptal, Phagwara.

It is averred that Dr. Om Badhan, Medical Officer/respondent No.6, a fellow Medical Officer, has time and again levelled allegations against the present petitioner before the Department regarding undue harassment. The Department, upon consideration of such allegations, has found them unworthy of any credence; and even warned respondent No.6 from levelling such like charges.

The grievance of the petitioner now is that on a fresh set of false allegations by respondent No.6, he has been summoned for facing the fact finding enquiry.

It is further averred that the fresh set of allegations are as a counter-blast to respondent No.6 being summoned in a criminal complaint initiated by the petitioner against him.

At the time of hearing, realizing that the petitioner has not been vested with any civil consequences, learned Counsel for the petitioner prays for permission to withdraw the present writ petition being premature.

In view of the above, the present petition is dismissed as withdrawn.
