

In the High Court of Punjab & Haryana at Chandigarh.

CWP No. 9794 of 2017

Date of decision: 08.05.2017

Rashpinder Singh

..... Petitioner.

V/S

The State of Punjab and others

..... Respondents

CORAM: HON'BLE MR. JUSTICE M.M.S. BEDI

Present: Mr. Peeush Gagneja, Advocate for the petitioner.

M.M.S. BEDI.J.(ORAL)

The petitioner has sought information pertaining to delivery of message regarding the date of trial of physical test for the post of Constables in Special Protection Unit (SPU) held on 08.11.2016 from Central Recruitment Board. Information has been supplied to him. The message was delivered on 06.11.2016 on mobile no. of the petitioner at 2.33 P.M. Copy of the information (Annexure P7 colly) has been placed on record.

Counsel for the petitioner submitted that the respondents have not supplied the information to the petitioner regarding the name of service provider depriving him of an opportunity to appear in the trial for recruitment. He further submits that on the basis of the information, the petitioner would like to challenge the selection on the ground that he had not been given an opportunity to participate in the trial.

I have heard counsel for the petitioner and have gone through the information received by the petitioner and the order passed by the Chief Information Commissioner, dated 10.04.2017, wherein, it is observed that the information had been handed over to the complainant, who after perusing the same, expressed his satisfaction. As such, his second appeal

was disposed of and closed.

I have considered the contention of learned counsel for the petitioner. The objective of Right to Information Act, 2005, is to provide the information asked for by the applicant in public interest but the objective of the said Act is not to create/produce any evidence to applicant to enable him to indulge into the litigation, therefore, the case of the petitioner is not sustainable

Dismissed.
