Mahesh Grover, J. (Oral)

We have perused the impugned order dated 29.12.2014, whereby certain villages were re-allocated to the sugar mills for a crushing season. The Learned Single Judge has quashed the action but thereafter, with the efflux of time some more crushing seasons have gone by and hence, we are of the opinion that the cause espoused in the appeal has largely been rendered illusory, which is also accepted by all parties to the dispute.

Accordingly, all the appeals having become rendered infructuous and disposed of as such.
