MAHESH GROVER, J. (Oral)

This appeal is directed against the judgment of the learned Single Judge dated 05.10.2016 declining interference in the writ proceedings where the appellant had pleaded action against the private respondent after bringing to the notice of the municipal authorities the unauthorised construction that he had raised.

The learned Single Judge noticed that the officials of the Municipal Corporation were already seized of the matter having issued notice to the concerned respondent and declined mandamus.

We are in complete agreement with the finding

recorded by the learned Single Judge. If the municipal authorities are seized of the matter and are looking into the grievance of the appellant in accordance with law, he would be left with no residual grievance to agitate either before the writ court or before us in appeal.

No ground to interfere.

Dismissed.

Before parting with the order, we deem it appropriate to observe that we have absolutely no reason to believe that the said authorities would not act fairly and expeditiously.
