Date of Decision : 14.07.2017

SBI General Insurance Co. Limited ....Petitioner

versus

Parmila and others ....Respondents

CORAM : HON'BLE MR. JUSTICE M.M.S. BEDI

Present: Mr. Satpal Dhamija, Advocate
for the appellant.

M.M.S. BEDI, JUDGE (ORAL)

This appeal has been preferred by the insurer against the award passed by the Motor Accident Claims Tribunal granting compensation to respondents No. 1 to 4.

Learned counsel for the appellant has vehemently contended that the income of the deceased has been wrongly calculated. With the assistance of learned counsel for the appellant, I have gone through Annexure A-2 which is the income tax return which was produced before the Motor Accident Claims Tribunal indicating that the deceased had income from the salary and the business/professions and by including the income from all the sources, his gross income was Rs.2,60,703/- per annum. After taking out the deductions, the return was filed calculating the total tax for year 2014-15 as 2,19,950/-.

After considering the income and age of the deceased, the compensation awarded appears to be just warranting no interference in the award.

The appeal is dismissed.
