This Letters Patent Appeal assails the order dated 14.06.2017, whereby learned Single Judge has dismissed the appellant's writ petition seeking its inclusion in the list of colleges where admission could be made by transferring the students of Gian Sagar Medical/Dental College and Hospital.

Learned Single Judge has observed that since counselling was almost over, nothing survives in the writ petition.

It is not in dispute that the counselling is already over and students have already been transferred and admitted to other institutions. This renders the appeal also infructuous. However, a student of Gian Sagar Medical/Dental College is said to have approached this Court seeking his transfer to the appellant-Institute.

If that is so, we grant liberty to the appellant to take all its pleas in the said writ

petition which shall be considered in accordance with law.

Dismissed.
