Applicant seeks review of the order dated 17.02.2016 and also seeks
condonation of delay of 118 days in filing the review application.

During the course of hearing, learned counsel for the applicant has
fairly conceded that there was/is no evidence available on record to support his
contentions for further enhancement of the amount of compensation.

In view of the above, both the applications have been found wholly
misconceived and the same are dismissed as such.
