Present: Mrs. K.K. Kahlon, Advocate
for the applicant.

Mr. Ashok Sharma Nabhewala, Advocate
for the non-applicant-respondent.

Appellant-wife has filed the present application seeking monthly maintenance at the rate of ₹70,000/- per month for herself and a sum of ₹50,000/- per month for her minor son aged 8 years.

Applicant has come out with a plea that she has no sources of income to maintain herself and her son.

Respondent has refuted the allegation that he owns tract of land, rice sheller and other properties.

We heard the submissions made on either side.

Applicant, of course, has demonstrated by filing Annexures A-12 to A-15 that the father of the respondent has some property.

It is an admitted position that the respondent was directed to pay a sum of ₹5,000/- per month to the appellant as well as her son by the trial Court on an application moved by the appellant under Section 24 of the Hindu Marriage Act way back in the year 2013.

It is submitted by the counsel appearing for the respondent that the respondent met with an accident and as a result of which he has to spend periodically huge amount towards medical expenses.

Considering the requirement of the applicant, her school going minor son and the family background of the respondent, we direct the respondent to pay a sum of ₹6,000/- per month to the applicant and ₹4,000/- per month to the minor son born out of the wedlock towards interim maintenance right from the date of this application i.e. 02.07.2016.

Application is disposed of accordingly.
