For the reasons stated in the application, delay of 10 days in filing the revision is condoned.

Application stands disposed of.

CRR(F) No.172 of 2016

The petitioner has come up in revision against the order dated 27.01.2016 passed by learned District Judge (Family Court), Hisar, whereby, the application moved by the respondent No.1-Usha Rani seeking maintenance to her and her minor daughter Sakshi has been allowed @ Rs.6,000/- per month.

Learned counsel for the petitioner submits that petitioner had earlier filed application under DV Act and a maintenance of Rs.3500/- was already received by the respondents. Therefore, subsequent application for same cause of action is not maintainable as the respondents already getting maintenance granted by the learned Court.

Learned counsel for the respondents submits that respondents

have filed application 125 Cr.P.C. for grant of maintenance dated 08.05.2014 on the ground that petitioner is a sound physique, good health and running a milk dairy and also having 5 killas of land and his earning is more than Rs.50,000/- . Learned District Judge (Family Court), Hisar, after going through the evidence on record awarded Rs.4000/- per month for respondent No.1 and Rs.2000/- per month to her minor daughter total Rs.6,000/- as maintenance amount from the date of filing of the petition.

Keeping in view of the above, the order of the trial Court does not reflect any material irregularity of perversity which warrant interference as the amount awarded by the trial Court is not on the higher side. Therefore, the present petition is dismissed.
