AJAY TEWARI, J. (Oral)

This review application has been filed for setting aside the order dated 04.08.2017. The ground taken is that in the meeting held in December, 2016, the agenda which was put before the Committee was to implement the proposal from the academic session 2017-18. It is, therefore, argued that the condition of compartment only in one subject would be applicable from the Session 2017-18 and consequently the order dated 04.08.2017 should be recalled and the writ petition should be allowed.

Affidavit has been filed in reply, in which it has been

mentioned that this whole issue was again placed before the same

Committee and that Committee had again clarified that what was actually intended was that in the Academic Session 2017-18 the admission to Class 11th would be given only to those students who had secured compartment only in one paper and those who had failed in more than one paper would be deemed to be a failed candidate. It had further been averred that this clarification had also been approved by the Government.

The issue before the Court now is whether the interpretation given to this agenda by the applicant-petitioner is to be accepted or that which has been now mentioned in reply. To my mind, the interpretation given by the Committee would carry more weight than the self-serving interpretation given by the petitioner.

Consequently, the review application is dismissed.

Since the main application has been decided, the pending civil miscellaneous application, if any, also stands disposed of.
