VIKRAM READY MIX CONCRETE PVT. LTD

VS

PRESIDING OFFICER LABOUR COURT-I, GURGAON AND ANR .

Present Mr.Gaurav Kathuria, Advocate
or the review applicant-petitioner.

The review applicant - petitioner seeks clarification of the order dated 27.01.2015. Initially when this order was passed, it was subjected to a Letters Patent Appeal which was also dismissed whereupon review applicant approached the Hon'ble Supreme Court which granted liberty to approach the Letters Patent Appeal Bench, which he did resulting in the order dated 18.05.2017 permitting the review applicant to seek clarification or modification of the order dated 27.01.2015 passed by this Court. In the said order, it has been specifically noted that no material pertaining to a valid departmental enquiry was ever brought on record and the plea of the petitioner that Inquiry Officer who had in his possession all the documents had died which prevented them from bringing on record the relevant material had been dealt with. No other point has been urged before me today as well.

In view of the specific finding on the issue raised before me, I am of the view that no further clarification is required, dismissed.
