CM-4881-C-2017 in
RSA-5506-2003**

SANTOKH SINGH V/S BHAJAN SINGH

Present: Mr. Atul Goyal, Advocate
for the applicant/appellant.

Review of judgment dated 11.01.2017 passed in RSA No.5506 of 2003 is being sought by the new counsel without obtaining No Objection Certificate from the original counsel, who had argued the appeal on merits.

In view of **M. Poornachandran and another vs. State of T.N. and others, 1997 AIR (SC) 1285**, no indulgence can be granted in favour of the applicant.

Learned counsel for the applicant has already made his endeavour to associate the original counsel to appear in this case. Having failed therein, he would not be knowing the arguments raised by the learned counsel at the relevant stage.

In view of above, this review application is dismissed.

Since the review application is dismissed, therefore, there is no need to adjudicate upon the application for condonation of delay.
