Present: Mr. Sandeep Moudgil, Advocate for the applicant/petitioner

This review application seeks to recall the order dated 08.12.2014 whereby the order passed by the State Government in exercise of its revisional jurisdiction under the HUDA Act was upheld and the writ petition filed by HUDA was dismissed.

The controversy pertains to the construction of basement in the Shop-Cum-Office site purchased by respondent No.1 in an open auction. It may be true that in the auction notice, it was nowhere mentioned that the basement would be permitted but the issue *re*: permissibility of construction of basement stood resolved by the authorities in a fair and just manner. No case to recall/review the order under review is made out.

Dismissed.

CM-1871-CWP-2017

In view of the above, no separate order is required to be passed in this application seeking condonation of delay of 722 days in filing the review application.
