Present: Review applicant/petitioner in person

(1) This review application seeks to recall the order dated 19.05.2017 whereby the review-applicant's writ petition was dismissed.

(2) We have heard the review-applicant in-person at a considerable length and gone through the record.

(3) It is urged that some of the contentions raised by the review-applicant have not been dealt with by this Court while dismissing the writ petition. One such plea is that this Court has not expressed any views on the applicant's contention that the charge-sheet dated 29.07.1992 was not approved by the Full Court. We do not find any merit in the contention for more than one reason. Firstly, the Full Court indeed had taken a specific decision on 24.04.1992 to charge-sheet the review-applicant and withdraw his judicial work. The formal issuance of charge-sheet dated 29.07.1992 was only a follow up action. Secondly, the issue *re*: legality of charge-sheet dated 29.07.1992 does not have any bearing on the merits of the writ petition decided by us vide order under review.

(4) No case to review/recall the order dated 19.05.2017 is made out.

(5) Dismissed.
