Issue notice. Notice is accepted on behalf of the State. The status report tendered in court is taken on record, which shows that the address has been got verified. The petitioner's application to seek parole made on 28.11.2016 has still not been disposed of. The petitioner seeks parole to take care of the old and ailing parents and also to re-establish social ties.

Since the address of the petitioner has been got verified and the nominal roll on record is also in favour of the petitioner, I am inclined to allow the petition.

The petitioner is undergoing a life sentence in case FIR 427/2008 under Section 302/307/323/34 IPC. The nominal roll shows that the

petitioner has undergone 8 years 6 months and 15 days incarceration. He was earlier released on parole between 04.04.2016 and 05.05.2016. It is not reported that he has misused the said liberty. His jail conduct has been found to be satisfactory. Accordingly, the petition is allowed.

In these circumstances, the petitioner is directed to be released on parole for a period of four weeks subject to:

- i) his furnishing personal bond with one surety in the sum of Rs.10,000/- to the satisfaction of the Jail Superintendent;
- ii) he shall provide his mobile phone number to the Jail Superintendent at the time of his release, which shall be kept in working condition at all times. The same shall not be changed without prior intimation to the Jail Superintendent;
- iii) he shall report at the local police station to mark his attendance on every Monday at 11:00 a.m. during the period of parole;
- iv) he shall duly surrender at the end of the period of parole; and
- v) he shall also not indulge in any criminal activity while on parole.
