been identified by the Investigating Officer. I have enquired from the complainant if she has settled the dispute with the petitioners amicably without any fear or pressure. She has informed that all the disputes between the parties have been resolved amicably with her free consent and she has no objection to the quashing of the FIR in question. Divorce by mutual consent has already been granted. Pursuant to the settlement, all the payments have been received by the complainant.

3. The petition is supported by affidavits of the parties. Since the dispute between the parties has been settled, no useful purpose will be served to continue with the proceedings. In the interest of justice and to enable the parties to settle in life after divorce, FIR No.133/2013 registered under Sections 498A/406/34 IPC at PS Sangam Vihar and all the proceedings arising therefrom are quashed.

4. The petition stands disposed of accordingly.
