ORDER

25.01.2017

1. Despite three attempts, the Respondents have not been served. All the service reports have stated either that "addressee left" or "no such firm at the given address".
2. In that view of the matter, keeping these petitions pending will not serve any purpose. The Petitioner should make an effort to ascertain the correct present addresses of the Respondents and thereafter, apply to revive the prayers in these petitions.
3. The petitions are disposed of.
