30.08.2017

1. This order is in continuation of the order dated 17th July, 2017.
2. Mr. Rajesh Pandey, Advocate appears for both the respondents and states that a detailed reply to the Transfer Petition has been filed on behalf of both the respondents and denies the averments in the petition, particularly concerning the conduct of the respondent No.1 who is an advocate admittedly of Dwarka Courts. It is also his contention that such request for transfer on earlier occasion has already been declined finding no veracity in the similar averments of the petitioner.
3. I have also perused the reports requisitioned from the Courts concerned and on perusal of the same, without intending to return any finding on the conduct of which the respondent No.1 has been accused of, it is deemed appropriate to transfer the suit to the District Judge, New Delhi District, Patiala House Courts, New Delhi who is requested to assign the same to appropriate Court.
4. The petition is thus allowed.
