HON'BLE MR. JUSTICE R.K.GAUBA

ORDER

% **22.09.2017**

The counsel for the appellant submits that since there is an error apparent on the record in view of the unfounded observations of the tribunal that the owner cannot be held liable, she is under instructions to seek permission to withdraw the present appeal and request grant of liberty to instead move the tribunal with a review application.

The appeal is dismissed as withdrawn with liberty as prayed.
