This is an application under Section 438 Cr.P.C. filed on behalf of the petitioners seeking grant of anticipatory bail in case FIR No.598/2016, under Section 308/34, registered at Police Station Sangam Vihar, New Delhi.

Counsel for the petitioner submits that the petitioner is apprehending his arrest in the aforesaid case from the police officials of Police Station Sangam Vihar, New Delhi. Counsel further submits that the injured has already been discharged from the hospital and the petitioner has also joined the investigation and is ready to join further investigation as and when directed to do so and prays that the petitioner may be admitted to anticipatory bail.

Learned APP for the State vehemently opposes the bail application. However, the learned APP on instructions from the Investigating Officer admits that the petitioner has joined the investigation and that the charge sheet has been filed in the concerned Court.

Looking into the aforesaid facts and circumstances, the petitioners are directed to join further investigation and in the event of their arrest, the petitioners be released on anticipatory bail, on their furnishing bail bond in the sum of Rs.20,000/- each with one surety each of the like amount to the satisfaction of the Investigating Officer/SHO concerned with the following conditions:-

- (i) The petitioners shall not leave the country without prior permission of the Court concerned.
- (ii) The petitioners shall not tamper with the prosecution evidence.
- (iii) The petitioners shall not contact the injured/complainant in any manner whatsoever.

The bail application is allowed and stands disposed of in the above terms.

Copy of this order be given *dasti*, as prayed.
