28.07.2017

The petitioner challenges several conditions in the NIT floated by respondent No.1- prominently that every bidder should have five vehicles with registration certificate not older than one year.

Learned counsel for respondent No.1/EDMC appears on advance notice and states that NIT has been withdrawn and fresh one after considering all ramifications would be issued.

In the light of this statement, this Court is of the opinion that writ petition has rendered infructuous and is disposed of as such.
