**O.M.P.(MISC.)(COMM.) 28/2017**

This is a petition under Section 29 of the Arbitration and Conciliation Act, 1996 seeking extension of time for making the Award.

Learned counsels for the parties submit that the final arguments before the arbitrator are concluded and matter is reserved for pronouncement of the Award. It is contended that there is no delay attributable to the arbitrator and delay occurred on account of peculiar facts and circumstances of the case.

In view of the fact that the delay has not occurred on account of any reasons attributable to the arbitrator, the time for making the Award is extended till 31.10.2017.

Petition is accordingly disposed of.
