The instant petition has been filed by the petitioners seeking quashing of FIR No.550/2016 registered at Police Station-Model Town, for the offences punishable U/s 498-A/406/34 of Indian Penal Code, 1860 on the complaint of respondent No.2 and the proceedings pursuant thereto on the ground that a compromise/settlement has been arrived at between the parties in the matter.

Respondent No. 2 is present in Court today and is identified by the counsel. She states that she has settled the matter with the petitioner in terms of settlement. The petitioners have paid a sum of ₹6,00,000/- to the respondent No. 2 through Demand Draft No.502100 dated 10.10.2017 drawn on ICICI Bank, Connaught Place, New Delhi. She states that she has

no claim whatsoever remaining against the petitioner and does not wish to pursue the abovementioned FIR and the proceedings pursuant thereto. Statements of the parties have been recorded separately.

In view of the fact that the parties have amicably resolved their differences voluntarily and of their own free will and without any coercion, pressure, and no useful purpose will be served in continuance of the proceedings, rather the same would create further acrimony between them, it would be in the interest of justice to quash the abovementioned FIR and the proceedings pursuant thereto. There is no legal impediment in quashing the FIR in question. Consequently, FIR No.550/2016 registered at Police Station-Model Town, for the offences punishable U/s 498-A/406/34 of Indian Penal Code, 1860 and proceedings pursuant thereto are hereby quashed.

The petition along with pending applications is disposed of.
