HON'BLE MR. JUSTICE V. KAMESWAR RAO

G.S.SISTANI, J. (ORAL)

1. With the consent of the parties, present petition is set down for final hearing and disposal. This is a petition under Article 226 of the Constitution of India filed by the petitioner seeking a declaration that the acquisition proceedings with respect to the land of the petitioner being half portion (vertically bisecting the plot from front) comprised in Khasra no. 1805/2 (3-16) and 1806 (4-16) measuring 4 Bighas and 6 Biswas situated in the revenue estate of Village-Chattarpur, New Delhi (hereinafter referred to as 'subject

land'), are deemed to have lapsed in view of the provisions of Section 24 (2) of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 as neither compensation has been paid nor possession has been taken over.

2. The necessary facts to be noticed for disposal of this writ petition are that Section 4 notification of the Land Acquisition Act, 1894 was issued on 25th November, 1980, Section 6 declaration was made on 7th June, 1985 and thereafter Award bearing No. 15/87-88 was passed by the Land Acquisition Collector on 5th June, 1987. Counsel for the petitioner submits as the possession of the subject land has not been taken and compensation has not been paid, the case of the petitioner is fully covered by the decision rendered by the Supreme Court of India in the case of ***Pune Municipal Corporation & Anr. V. Harak Chand Misirimal Solanki & Ors***(2014) 3 SCC 183 and other decisions as detailed below to submit that the acquisition proceedings would lapse:

- (1) ***Union of India and Ors v. Sshiv Raj and Ors., reported at (2014) 6 SCC 564;***
- (2) ***Sree Balaji Nagar Residential Association v. State of Tamil Nadu and Ors, Civil Appeal no.8700/2013 decided on 10.09.2014;***
- (3) ***Surender Singh v. Union of India & Others, W.P.(C).2294/2014 decided on 12.09.2014 by this Court; and***
- (4) ***Giri Chhabra v. Lt. Governor of Delhi and Ors; W.P.(C).2759/2014 decided on 12.09.2014 by this Court.***

3. We have heard the learned counsel for the parties.

4. Counter-affidavit has been filed by respondents LAC. Para 7 and 8 of the counter-affidavit reads as under:

“7. The respondent could not take the possession of the land in question being Khasra No. 1805/2 (3-16) and 1806 (4-16).

8. That as per Statement “A” available with this office with details of compensation is as per the table below: -

<i>Sl. No.</i>	<i>Name</i>	<i>Award No.</i>	<i>Amount</i>	<i>Remarks</i>
<i>1.</i>	<i>Harkishan Singh</i>	<i>15/87-88</i>	<i>303276.50</i>	<i>Sent to RD</i>
<i>2.</i>	<i>Smt. Tej Kaur</i>	<i>15/87-88</i>		

5. As per the stand taken by the respondent LAC in Para 7 of their counter-affidavit that neither possession of the subject land has been taken nor compensation has been paid, we are of the view that the case of the petitioner will be fully covered by the decision rendered by the Apex Court in ***Pune Municipal Corporation & Anr. (supra)***, wherein in Paras 14 to 20, it is held as under:

“14. Section 31(1) of the 1894 Act enjoins upon the Collector, on making an award under Section 11, to tender payment of compensation to persons interested entitled thereto according to award. It further mandates the Collector to make payment of compensation to them unless prevented by one of the contingencies contemplated in sub-section (2). The contingencies contemplated in Section 31(2) are: (i) the persons interested entitled to compensation do not consent to receive it (ii) there is no person competent to alienate the land and (iii) there is dispute as to the title to receive compensation or as to the apportionment of it. If due to any of the contingencies contemplated in Section 31(2), the Collector is prevented from making payment of compensation to the persons interested who are entitled to compensation, then the Collector is required to deposit the compensation in the court to which reference under Section 18 may be made.

15. Simply put, Section 31 of the 1894 Act makes provision for payment of compensation or deposit of the same in the court. This

provision requires that the Collector should tender payment of compensation as awarded by him to the persons interested who are entitled to compensation. If due to happening of any contingency as contemplated in Section 31(2), the compensation has not been paid, the Collector should deposit the amount of compensation in the court to which reference can be made under Section 18.

16. The mandatory nature of the provision in Section 31(2) with regard to deposit of the compensation in the court is further fortified by the provisions contained in Sections 32, 33 and 34. As a matter of fact, Section 33 gives power to the court, on an application by a person interested or claiming an interest in such money, to pass an order to invest the amount so deposited in such government or other approved securities and may direct the interest or other proceeds of any such investment to be accumulated and paid in such manner as it may consider proper so that the parties interested therein may have the benefit therefrom as they might have had from the land in respect whereof such money shall have been deposited or as near thereto as may be.

17. While enacting Section 24(2), Parliament definitely had in its view Section 31 of the 1894 Act. From that one thing is clear that it did not intend to equate the word “paid” to “offered” or “tendered”. But at the same time, we do not think that by use of the word “paid”, Parliament intended receipt of compensation by the landowners/persons interested. In our view, it is not appropriate to give a literal construction to the expression “paid” used in this sub-section (sub-section (2) of Section 24). If a literal construction were to be given, then it would amount to ignoring procedure, mode and manner of deposit provided in Section 31(2) of the 1894 Act in the event of happening of any of the contingencies contemplated therein which may prevent the Collector from making actual payment of compensation. We are of the view, therefore, that for the purposes of Section 24(2), the compensation shall be regarded as “paid” if the compensation has been offered to the person interested and such compensation has been deposited in the court where reference under Section 18 can be made on happening of any of the contingencies contemplated under Section 31(2) of the 1894 Act. In other words, the compensation may be said to have been “paid” within

the meaning of Section 24(2) when the Collector (or for that matter Land Acquisition Officer) has discharged his obligation and deposited the amount of compensation in court and made that amount available to the interested person to be dealt with as provided in Sections 32 and 33.

18. 1894 Act being an expropriatory legislation has to be strictly followed. The procedure, mode and manner for payment of compensation are prescribed in Part V (Sections 31-34) of the 1894 Act. The Collector, with regard to the payment of compensation, can only act in the manner so provided. It is settled proposition of law (classic statement of Lord Roche in Nazir Ahmad[1]) that where a power is given to do a certain thing in a certain way, the thing must be done in that way or not at all. Other methods of performance are necessarily forbidden.

19. Now, this is admitted position that award was made on 31.01.2008. Notices were issued to the landowners to receive the compensation and since they did not receive the compensation, the amount (Rs.27 crores) was deposited in the government treasury. Can it be said that deposit of the amount of compensation in the government treasury is equivalent to the amount of compensation paid to the landowners/persons interested? We do not think so. In a comparatively recent decision, this Court in Agnelo Santimano Fernandes [2], relying upon the earlier decision in Prem Nath Kapur [3], has held that the deposit of the amount of the compensation in the state's revenue account is of no avail and the liability of the state to pay interest subsists till the amount has not been deposited in court.

20. From the above, it is clear that the award pertaining to the subject land has been made by the Special Land Acquisition Officer more than five years prior to the commencement of the 2013 Act. It is also admitted position that compensation so awarded has neither been paid to the landowners/persons interested nor deposited in the court. The deposit of compensation amount in the government treasury is of no avail and cannot be held to be equivalent to compensation paid to the landowners/persons interested. We have, therefore, no hesitation in holding that the subject land acquisition proceedings shall be deemed to have lapsed under Section 24(2) of the 2013 Act.

6. We are of the considered view that the necessary ingredients for the application of Section 24(2) of the New Act as has been interpreted by the Supreme Court of India and this Court in the following cases stand satisfied:

- (1) Pune Municipal Corporation & Anr. v. Harakchand Misirimal Solanki & ors., reported at 2014 3 SCC 183;*
- (2) Union of India and Ors v. Sshiv Raj and Ors., reported at (2014) 6 SCC 564;*
- (3) Sree Balaji Nagar Residential Association v. State of Tamil Nadu and Ors, Civil Appeal no.8700/2013 decided on 10.09.2014;*
- (4) Surender Singh v. Union of India & Others, W.P.(C).2294/2014 decided on 12.09.2014 by this Court; and*
- (5) Giri Chhabra v. Lt. Governor of Delhi and Ors; W.P.(C).2759/2014 decided on 12.09.2014 by this Court.*

7. Having regard to the submissions made and the counter-affidavit placed on record, the petitioner is entitled to a declaration that the acquisition proceeding with respect to the share of the petitioner as detailed in Para 1 of the judgment stand lapsed. It is so declared.

Accordingly, the writ petition is disposed of.

CM. No. 841/2016
