CORAM: HONOURABLE THE CHIEF JUSTICE

and

HONOURABLE MR. JUSTICE RAJEEV RANJAN PRASAD

ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date : 02-04-2018

The grievance raised in this application under public
interest is with regard to shifting of a site for construction of a
bridge over the river in question and various other allegations
pointing out that the shifting is not proper.

In our considered view, selection of a site for
construction is a technical matter, to be decided by the
administrative authorities on evaluation of technical report and
various other considerations and a Court is not supposed to
interfere into such administrative matters which require technical

expertise. Even if a technical report has been submitted, the question as to whether the same has to be accepted and implemented is also an administrative matter, to be considered by the administrative authorities.

In exercise of extraordinary jurisdiction under Article 226 of the Constitution, we are not inclined to interfere into the matter. The petitioner may take up the matter with the State Government and the concerned authorities.

The application is disposed of.
