ORAL ORDER

5 19-04-2018

It appears that wrong submission was made in the
restoration application numbered as Cr. Misc. No.17209 of 2018
that all defects have been removed on the last day and
considering the said submission Cr. Misc. No.47838 of 2017
was restored.

It appears that false submission and statement was
made in the restoration application and the defects were not
removed, so this quashing application stands dismissed with
liberty to file a fresh quashing application.
