ORAL JUDGMENT

(Per: HONOURABLE THE CHIEF JUSTICE)

Date: 05-03-2018

Seeking exception to an order dated 29.06.2017 passed by
the learned Writ Court in CWJC No. 5151 of 2017 this appeal has
been filed under Clause 10 of the Letters Patent.

There being delay of 8 days in filing of this appeal IA No. 8690 of 2017 has been filed seeking condonation of delay The delay in filing the appeal is condoned.

Having heard learned counsel for the parties we find that the writ petition in question was filed whereby challenge was made to the result published by the Bihar Public Service Commission, Patna, on 10.03.2017 with regard to the Accounts Officer (Preliminary) Competitive Examination conducted in pursuance to an advertisement issued in the year 2015 being Advertisement No. 3 of 2015.

It was the case of the petitioners-appellants that the petitioners had applied, participated in the process of selection but certain candidates who would possess the education qualification of being Graduation in Commerce, Economics or Mathematics were declared as qualified. However, the petitioners did not indicate the names and particulars of such candidates who are not qualified and who are not eligible to participate in the examination. The petitioners participated in the examination without any reservation and challenged the result by making a vague and unspecified allegation to the effect that certain persons who are not eligible were declared successful in the Preliminary Test. The learned Writ Court found that particulars of the candidates and the ground on which they were said to be ineligible were not specified and refused to interfere into the

matter.

We see no error in the order of the learned Writ Court warranting reconsideration. The appeal stands dismissed.
