ORAL ORDER

2 09-04-2018 Learned counsel for the Bihar School Examination Board is allowed to make necessary correction in the cause title of the application. Let it be done in course of the day. Let corresponding entries be made in the software also.

Though the Board seeks modification of the order of this Court dated 11.07.2017, passed in CWJC No. 7943 of 2017, in effect, the Board is seeking review of the order.

I do not find this modification petition in the form which has been presented worth to be entertained. On that ground alone, this application is dismissed.

The Board will be at liberty to file review application

since it is the case of the Board that important provisions dealing with necessary requirements of admission to Class-VIII could not be brought to the notice of this Court, despite due diligence.
