ORAL ORDER

3 14-03-2018 Heard learned counsel for the petitioner and learned
A.P.P. for the State.

Petitioner, already in custody, seeks bail in connection
with Nauhatta P.S.Case No. 100 of 2017, registered under
Sections 341, 323, 302 and 504/34 of the Indian Penal Code.

Allegation in brief is that the accused persons assaulted
the informant's wife and specific allegation against the petitioner
is that he killed the wife of the informant by pressing her neck

Submission is that on 01.10.2017 at 8.30 A.M. the
alleged occurrence took place and the Post mortem was held on
the same day at 5 P.M. but time elapsed since death is within
twelve to twenty four hours approximately, so prosecution case
becomes doubtful.

Learned counsel for the State submits that there is specific allegation against the petitioner of killing the deceased and post mortem report of the deceased, reveals that the cause of death is strangulation, supporting the allegation and time elapsed after death is in near proximity.

Having considered the specific allegation against the petitioner of killing the deceased, the prayer for bail of the petitioner stands rejected at this stage.

The petitioner is in jail custody since 30.10.2017, so the Trial Court is directed to expedite the trial and conclude the same expeditiously.
