ORAL ORDER

2      02-02-2018                      Heard learned counsel for the petitioner and learned  
APP for the State.

The petitioner, in the present case, is seeking regular  
bail in connection with Daudnagar P.S. Case No.67 of 2016,  
registered for offences alleged under Sections 302/201 of the  
Indian Penal Code and Section 27 of the Arms Act.

Learned counsel for the petitioner submits that in fact  
the informant has now taken a plea that the officer in-charge of the  
police station had got signature of the informant on a plain paper  
and recorded the statement and he is not aware about the contents  
of the F.I.R. His submission is that because of this statement of the  
informant the whole allegation made in the FIR appears to be false  
and concocted.

On the other hand, learned APP for the State submits that in the fardbeyan, giving rise to the present case, it is specifically stated that this petitioner had fired from his country made carbine and that shot fired by him proved fatal because of that mother of the informant died.

At this stage, learned counsel for the petitioner submits that in fact the trial is going on and five witnesses have already been examined.

Considering the nature of allegation, I am not inclined to grant bail to the petitioner.

Let the trial be expedited at the earliest preferably within a period of six months. The public prosecutor shall take all endeavours to produce witnesses on the date fixed in the trial.

The application stands dismissed.
