ORAL ORDER

3 05-04-2018

Heard learned counsel for the petitioner and the
learned APP for the State.

Petitioner seeks bail in a case registered under
Sections 302, 304B, 201, 120B/34 of Indian Penal Code.

The petitioner is husband of the deceased and,
therefore, liable for the prime responsibility of his wife. The
allegation is that she has been done to death for non-fulfillment of
demand of motorcycle and that the body has been disposed of.

Learned counsel for the petitioner submits that in the
investigation, one of the neighbours has deposed that she was
suffering from small pox and she died as a result of her illness.

No document on record shows that she was ever
treated for the said illness.

Considering the gravity of the offence and the fact that the petitioner is husband of victim, his prayer for bail is rejected.
