ORAL ORDER

2 05-10-2018

Heard the parties.

This application is for grant of regular bail in connection with Rosara P.S.case no.253 of 2017 dated 18.10.2017 for the offences under Section 376 of the Indian Penal Code and Section 4 of the POSCO Act.

Allegation against the petitioner is of committing rape of the daughter of the informant.

Submission of the learned counsel for the petitioner is that falsity of the case will appear that the FIR itself shows that the same has not been lodged on that day in spite of informantion to the informant and later on a case had has been lodged and prior of that a case had been lodged by the mother of the petitioner against some persons and at their instance the present case has

been lodged. It is further submitted that she is a professional girl .

Heard learned A.P.P. also, who has opposed the prayer for bail stating that the allegation of rape is against the petitioner of committing rape of a minor daughter aged about five years.

Having heard both sides and in view of the facts and circumstances, as stated above, I am not inclined to grant bail to the petitioner, as such the prayer for bail of the petitioner is rejected.

With the aforesaid observation, this application is dismissed.
